

Yesterday morning, it came to  
hand. on the 14th when I got a letter,  
now I am sure that you see when  
I did not get a letter yesterday. I  
did not know whether to answer  
or not. I don't think I was to blame  
for I was ready to go but instead  
of getting a letter it was a postal  
card informing me there was a  
letter at your office for me and  
if I sent a stamp I would get it  
and before I could get the letter  
it was too late.  
Now I do not think hard of  
me for not arriving I have tried  
to explain the best I could but  
am tell you all about it next  
Sunday.

Sweet, that, you coming next  
Sunday, if I do not die, he time  
now and then and I will tell  
you all about me not getting your

Sweet to the I know you must  
have very badly disappointed last  
Saturday I am very sorry but I  
can't help it now.

You must have your picture  
before this week and give me  
one next Sunday. I, H. Darling,  
I did not go to London but stayed  
at home all day last Sunday, really  
it was a long day indeed after I  
got your last letter I knew I  
must have been a long time  
away to you as well as myself.

Write soon and tell me how you are  
getting along. I, H. and will see you  
next Sunday, as sure as the sun,  
which ~~is~~ got that way I will  
be there my brother as I was  
badly upset last Sunday and  
I know you must have been,  
I am that I am about well now but  
when did not get your letter yet.
